MEDIA MOMENTS

Northern Indiana's Kosciusko County is full of a variety of moments to discover.

There are abundant travel moments to be considered in our destination. The adventurous have two ways to experience Kosciusko County -by land and by water. Stories are also abundant. We can help you find creative content about lakeside dining in Northern Indiana, muskie fishing, shopping, unique tour boats, delicious food travel, arts and entertainment, outdoor recreation and nature travel, and more. The stories live within our people and their love for showing off our beautiful destination.

There are over 100 natural lakes that provide a water wonderland. Lake Wawasee is the largest natural lake and Tippecanoe is the deepest lake in the State. Kosciusko County is industry strong in agriculture, medical device manufacturing, and businesses serving the recreation sector. Warsaw, the county seat, is known as the Orthopedic Capital of the World and the City of Lakes. Kosciusko County is home to the Lincoln Highway, the Continental Divide, the world's largest biodiesel plant, the world's leading duck producer, and the world's largest egg. We live local and impact global.

We are confident we can find your next unique story to share with your readers. After all, our destination has many points of interest to consider and many moments to create.
